Volunteer Opportunities

Evening Meal Provider

House Volunteer

Life Skills Instructor

Children's Activity Coordinator

Our children would love to go to Summer Camp. It costs about \$300 per child. To give a child a great experience please make a donation in any amount and write on the "memo" line of your check that it is for Summer Camp. Or you can click "Donate Now" on our website www.cooperativeministry.com and leave a note there, as you are making your donation, as well.

For more information on our needs, volunteer opportunities, summer camp donations and more please contact Tracey Sittig at 704-918-1265 or email her at tsittig@cooperativeministry.com
